BACKGROUND TO THE TRAINING & DEVELOPMENT PACKAGE

What do creative interventions look like?

This course will demonstrate the power of the effective use of targeted interventions across a school in raising the attainment of pupils.

The morning focusses on a creative approach to managing multiple interventions across a school to have maximum impact.

OUTLINE OF THE TRAINING & DEVELOPMENT PACKAGE

The training package will look at effective examples of interventions in action.

Through observing 'real teaching', discussion and practical examples, delegates will be inspired in how to achieve visible impact in their own setting.

Opportunities will include an insight into the innovative strategy employed by Molescroft Primary School, '20 Ideas for 20% Gain', which involved all stakeholders.

Attendees will be able to consider how such an approach could work in their own setting.
