Description:

This course will offer you a range of strategies and insights into 'what teachers can do in the classroom' and 'why and how' they work. It is designed for every teacher, is full of practical ideas and strategies which deliberately mirror the teaching process and are supported by a wide range of research.

CEO and the founder of @TeacherToolkit, Ross is an experienced teacher and school leader who has worked in some of the most challenging schools in London over the past three decades. He is one of the 'most followed educators on Twitter in the UK' and has written 5 books. In December 2015, he was nominated for The **Sunday Times** '500 Most Influential People in Britain 2015' and remains the only classroom teacher to have featured. He is currently training teachers across the U.K. and studying for his EdD at Cambridge University.
