

## RIDING FORWARD TSA TRAINING & DEVELOPMENT PACKAGE

As the Ofsted pendulum swings towards refocussing on the broad and rich curriculum, it's time to consider:

## DIVING DEEP INTO READING

The new Ofsted inspection framework will focus on the real substance of education: the curriculum. Less time will be spent looking at tests and examination's data on inspection, and more time looking at what is taught, when it is taught and how schools have achieved their results.

Riding Forward TSA offers a unique training opportunity to support improvements in Teaching & Learning in Reading within your Primary School.

### VENUE, DATES & TIMES

Venue: The training will be delivered via Microsoft Teams

Date: Wednesday 14th April 2021 Time: 2.30pm to 4pm

### BACKGROUND TO THE TRAINING & DEVELOPMENT PACKAGE

*What makes teaching and learning in reading truly exceptional.*

This course will demonstrate the value of a whole school approach to reading and a complete 'buy in' from pupils, staff and parents to achieve success.

*The course has been specifically designed to start at 2.30pm to support your school to release you at minimum cost to the school budget and class contact time.*

### OUTLINE OF THE TRAINING & DEVELOPMENT PACKAGE

The training package will look at a blended approach of guided and guiding reading to achieve reading mastery.

Through observing video clips, discussion and practical examples, delegates will be inspired in how to achieve a successful approach for all in the teaching of reading.

A key focus will be on how reading has been championed across the school.

Subject leaders will have the opportunity to discuss curriculum intent and progression; they will also have an understanding of how a reading curriculum has been structured to support them in 'diving deep' into their subject.... including tackling the lines of questioning that may arise in a "deep dive inspection".

### COURSE LEADERS

Mr Jonathon Williams, Specialist Leader of Education, KS1 Leader & English Subject Leader at Molescroft Primary.

The cost of the training package is £59 per delegate for alliance schools, and £69 per delegate for non-alliance members.
