

RIDING FORWARD TSA TRAINING & DEVELOPMENT PACKAGE

As the Ofsted pendulum swings towards refocussing on the broad and rich curriculum, it's time to consider:

DIVING DEEP INTO HISTORY

The new Ofsted inspection framework will focus on the real substance of education: the curriculum. Less time will be spent looking at tests and examination's data on inspection, and more time looking at what is taught, when it is taught and how schools have achieved their results.

Riding Forward TSA offers a unique training opportunity to support subject leaders in championing History within your Primary School.

VENUE, DATES & TIMES

Venue: The training will be delivered via Microsoft Teams

Date: Monday 15th March 2021 Time: 2.30 to 4pm

BACKGROUND TO THE TRAINING & DEVELOPMENT PACKAGE

What makes teaching and learning in history truly exceptional?

Inspirational, engaging and interactive approaches to the teaching of history through the use of artefacts, pictures and other historical sources. The afternoon focusses on a determination to develop historical thinking at every opportunity, and to develop the understanding of the subject leader in how to prepare them for a deep dive into their subject.

The course has been specifically designed to start at 2.30pm to support your school to release you at minimum cost to the school budget and class contact time.

OUTLINE OF THE TRAINING & DEVELOPMENT PACKAGE

The training package will look at how to develop the skills of young historians with practical ways to develop enquiry and historic questions, careful observation and critical judgement of evidence.

Through observing excerpts of 'real teaching', discussion and practical examples, delegates will be inspired in how to achieve an engaging, interactive approach to the teaching of history.

Opportunities will include a focus on creative learning experiences which will engage children in interactive methods, which can be adopted and adapted for different age groups or themes, whilst ensuring progression and challenge for all.

Subject leaders will have the opportunity to discuss curriculum intent and progression; they will also have an understanding of how a history curriculum has been structured to support them in 'diving deep' into their subject.... including tackling the lines of questioning that may arise in a "deep dive inspection".

COURSE LEADERS

Mr Ben Rowsell, Specialist Leader of Education & History Subject Leader, at Molescroft Primary School. Mr Rowsell delivers Teaching of History lectures to students at the University of Hull PGCE Courses.
